

Innovation & Agility - part 2/9: Top-down vs bottom-up

| Jul 17, 2018

Expert panellists at IRC Global Executive Search Partners Global Conference “Innovation & Agility: The New World” in Shanghai tell us how Chinese companies square a top-down or bottom-up approaches with innovation in the workplace.

This 2nd part of a 9-part series also draws distinctions between state-owned enterprises (SOEs) and private players.
