

Innovation & Agility - part 1/9: Global vs China

| Jul 10, 2018

IRC Global Executive Search Partners Global Conference in Shanghai saw an expert panel weigh in on issues pertaining to “Innovation & Agility: The New World”.

IRC Institute, in collaboration with Georgia State University of Atlanta, presents insights from the panel into a 9-part video series. In this 1st part, tech, marketing, and manufacturing industry chiefs compare innovation & agility in China to the rest of the world.
